

# The MCI<sup>®</sup> ISTV<sup>™</sup>

Driving anything else is criminal

Transporting inmates is no school picnic. Nor is it a job for just any vehicle, no matter how many panels and bars you put on the windows. That's why so many federal and state authorities choose the MCI Inmate Security Transportation Vehicle. With more than 20 years of dedicated inmate transport experience, MCI continues to offer industry driven advancements in mobile detention for the inmates and an enhanced work environment for the officers. And because each one is custom configured, you can choose the features that work best for you. So put the MCI ISTV into your fleet today. **Get a lock on your inmate transportation.**
